

What is the Secular Community Alliance?

Secular means not pertaining to or connected with religion.

As a group, we are committed to establishing, supporting, and promoting secular communities throughout the country as well as aligning with secular groups that are active in environmental, educational, economic, civil justice, and social causes.

Help our organization by donating today!

All donations go toward establishing non-religious communities and developing the next generation of secular leaders.

Celebration of Members

The Board of Directors of the SCA has decided to initiate two annual awards. This year we will present a Founders Award and a Development Award.

We are proud to announce Fran Wheeler will receive the Founders Award, and Sandra Drexel the Development Award.

We will make presentations at our annual picnic on Saturday, July 20, at Plamann Park (see the FVAAF meetup page to RSVP).
